## Terms & Conditions

### **Booking Confirmation Form/Risk Warning**

Every booking MUST be confirmed by completing a Booking Confirmation Form and enclosing a non-refundable deposit of \$550.00.

A tentative booking will be held for 21 days; if not confirmed within that period, it may be cancelled. If more than 21 days is required to arrange deposit please notify us to maintain your booking. Immediate notice is requested if the booking is no longer required.

On arrival at the camp, you will be met by a senior staff member. For your convenience and comfort, please advise the Office Manager of your expected time of arrival in order to ensure that everything is left in readiness for you and the Operations Manager is on site to greet you.

### **Breakages & Damages**

Upon departure, a Camp Mornington staff member will do a “walkthrough” of the facility to check for any damage that may have been sustained during the camp. The cost of replacing or repairing any damaged item will be charged to the group using the camp.

### **Cancellations**

Cancelled bookings cause a large strain on the financial state of Camp Mornington – we ask that you please keep this in mind when booking a camp.

A refund of your deposit, due to cancellation, will only be possible if we are notified at least 6 weeks prior to your camp. Camps that are cancelled with less than 6 weeks notice can either transfer their booking to another date, or forfeit their deposit.

**Should a camp be cancelled with less than 3 weeks notice, the full cost of the cancelled camp will be incurred.** You will be required to pay the full invoice amount, generated at the time of your booking, minus any deposit that has been paid.

### **Accidents—Medical Services**

It is suggested that groups ensure their members are adequately covered for hospital/medical treatment and ambulance transport, and also give consideration to obtaining an authority from parents/guardians for permission to authorise medical treatment. Essential services (hospital, doctor, ambulance, dentist, chemist), are available in Harvey (approx 14 kms from Camp Mornington).

**We strongly recommend that each group be accompanied by someone experienced in First Aid. Any treatment provided outside of activities may incur additional costs in order to replace medical supplies used.**

**Footwear:** Closed shoes are the only accepted footwear. No thongs, sandals or open shoes are to be worn at any time during your stay. This applies also while doing activities in the dam. This is due to the fact that Mornington is on the site of an old saw mill and pieces of scrap metal still exist on the property.

Anyone caught smoking will immediately be taken to their Head Teacher where a decision will be made as to whether they leave the camp or not. **Adult Smokers: Please speak with Manager about permitted smoking areas.**

Adult groups that have consumed alcohol the night before will not be permitted to take part in an activity if they are believed to still be suffering the effects of the night before and are therefore unfit to participate.

**Swimming Pool:** A 12.3m x 4.6m fibreglass swimming pool is provided. The pool is fully fenced and secured with a locking gate. It is the responsibility of each group to control the use of the pool. Please ensure that you have at least one supervisor at all times.
